## Community Consultation and Communication

2.5

### **Rationale:**

1. The Board acknowledges that it is important for the school to maintain ongoing consultation and communication with the community.

### **Requirements:**

- 1 Before making any substantial amendments to the Charter or Strategic Plan the Board will consider a process for consultation with all stakeholders, including staff, students, parents, mana whenua, tangata whenua, and the wider community.
- 2 The Principal will maintain effective and regular communication with the school community. Communication may be by way of: newsletters, parent evenings, school web-site, Maori community hui, liaison with the media, public speaking events, school events, noticeboards and school signage, special notices, social media and other.
