

## Medical and Travel Insurance for International Students

### 6.4

#### **Rationale**

1. To meet the requirements of the Education (Pastoral Care of International Students) Code of Practice 2016.
2. To ensure that students attending Waiuku College have appropriate and current medical and travel insurance for the duration of their stay.

#### **Requirements**

1. Medical and travel insurance is compulsory for international fee-paying students studying in New Zealand.
2. Agents/Schools/Students are to be informed of the requirement to purchase Medical and Travel Insurance.
3. Waiuku College will offer advice on insurance requirements and policy selection if requested.
4. Any policy taken out overseas must be accompanied by an English language translation of the said policy or the school must ensure that language translation is readily available if required.
5. The student's Medical and Travel Insurance policy must be verified before arrival.
6. The International Student Manager will sight the policy document.
7. Policy start and finish dates will be recorded and the agents and students will be notified when the policy should be renewed.
